County Executive Craig Announces Appointment of Longtime Employee Janet Schaub as Director of HR

(Bel Air, MD) - - Harford County Executive David R. Craig has named Janet Schaub as the new Director of Human Resources for Harford County Government. She was previously the department's deputy director.

Schaub has worked in the county's HR Department for 37 years, and has performed the duties of every position within the department at some point in her career. The Harford County Council unanimously confirmed Schaub as the new Director of Human Resources on Tuesday during its Legislative Session.

"I am so excited to have the opportunity to serve as Director of Human Resources, Ms. Schaub remarked. "We have a great workforce that is extremely dedicated and hard working. This workforce enables us to provide quality services to our citizens. I thank Mr. Craig for this opportunity and also thank the County Council, fellow Cabinet Members, and my co-workers for their support and good wishes. I look forward to the challenges of this new position."

In announcing the appointment, County Executive Craig stated, "Janet Schaub will make our leadership team stronger. She understands the dynamics of Human Resources and will keep the department moving in the right direction."

Senior Assistant County Attorney Deborah Duvall was serving as Acting Director of the Department of Human Resources. She has returned to her regular duties in the Law Department.

The appointment for Ms. Schaub is effective Wednesday, November 13, 2013.
